8. Lecture Attending Situation

- December 2013 – February 2014: staffs and many students of Faculty of Fisheries and Marine Science attended to Marine Science and Technology lectures.
- April 2014: 5 students participated in Wasabi workshop.
- 18 December 2013: two groups of UB students were participating in Business Plan Contest at SOI Asia 2013-2014 and one group (Kyubi group) was declared the winner.

9. Ideas: How to make student more active join the class?

- Announced the lecture program in our on-line bulletin and website.
- Requesting to the Dean or the Head of Department to ask his/ her students to attend the class.
- Direct contact to professor or lecturer who teaches the related subject and request him/ her to ask his/ her student to join the class.
- Assessment result by professors of Japan to be considered to determine the final grades of students.

10. Research and Development in Network, including applications.

None.

11. Will your organization to be host next AI3-SOI-Asia bi-annual meeting?

No, thank you.
