3. Distance Learning Environment Update

- Permanent room for SOI Class

Size: 12 m × 5 m, Capacity: 25 seats
1 room: for server room

4. Technical Update

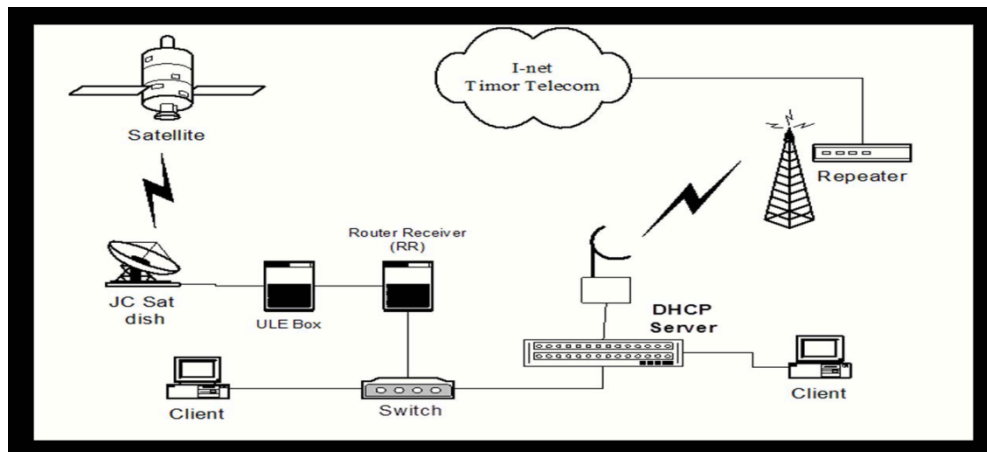

For now, the system does not work, and do not know which part is not working properly.

Suggestion:

- To fix the system, as soon as possible.
- As new operators, UNTL operators need technical training, how to operate and keep maintenance of the system.

5. Network Update

- Current network connection with bandwidth 10 Mbps, provider is Timor-Telecom (TT)

- New internet connection, provided by Telekomunikasi Indonesia International SA (Telin Timor-Leste) with bandwidth 15 Mbps, currently under installation and will be ready for use next month June 2014.
- Conclusion, Internet connection in UNTL is improving and much better than before.
